Smart Ways to Share Hoop

There's stacks of great ways to share your personal Hoop link. Here's some of the ways savvy Hoop Ambassadors are spreading the word.

- What's App about Hoop to your parenting groups
- Post Hoop up on Facebook, Instagram or Snapchat
- Share Hoop with your parenting groups on Facebook
- Tweet about Hoop
- Email your friends and co-workers
- Tell other parents at school
- Send Hoop to your NCT buddies
- Write about us on your blog

Our ambassadors have most success sharing their personal Hoop link on What's App and Facebook, where it only takes two taps for their friends to download the app on their phone.

Some nice things to say about Hoop

Stuck for ways to talk about Hoop? Here's some ideas:

- Hoop is a free app that lists all the family-friendly events and activities going on locally and across town.

- Hoop makes it easy to see what's on that the kids will love.

- Hoop helps you discover new things to do with the kids.

- Everything on Hoop is tailored to your family, so you only see things that are age appropriate.'

We list every family friend event and activity

Hoop lists every family friendly event and activity for kids aged 0-11yrs old. From local stay and plays and sing-a-long classes to family shows and dance classes, whatever your kids are into, you'll find it on Hoop.

Free Events & Activities

Did you know that Hoop also lists all the activities and classes ran by local councils, community centres and libraries. Over a quarter of all the events on Hoop are completely free to attend.

What parents are saying about Hoop

★★★★★   "Must-Have App For Parents. Seriously, tell every parent you know"
